EDUCATION

St. John's University, Queens, NY
Summa Cum Laude, May 2024
Bachelor of Fine Arts, Graphic Design

School Of Motion
Certification: Intro to 3D Animation
Cinema 4D Basecamp, Summer 2023

EXPERIENCE

Utah Jazz

Motion Design | September 2024 – Present

Animated gameday graphics for in-arena display at the Delta Center, including prompts and sponsored elements. Executed motion assets for social media, team promotions, and hype edits. Animated court projection content for Jazz Dancers' performances during breaks in gameplay. Built motion identity for the SLC Stars and animated theme night packages for in-arena use at the Maverik Center. Contributed 2D animations for the Utah Hockey Club's Honor Awards ceremony.

Love Communications

Creative Design and Animation | June 2024 – August 2024

Collaborating with creative team to concept, design, and execute graphics and animations for current branding initiatives. Researched, conceptualized and developed design for a cross promotion between two clients.

Children and Screens

Design and Video Editing | February 2024 – April 2024

Prepared and edited optimized, impactful video content of full-length #AskTheExpert webinar series for social media platforms and YouTube channel. Managed post-production for live virtual events. Produced and edited video content and created graphic designs to promote the Institute's mission.

Zoc.ai

Freelance - 2D Animator | December 2023 – January 2024

Conceptualized, designed, and animated the motion graphic for the release of Zoc.ai's new app. Intergraded path and property animations, expressions, illustrations, and type treatments to showcase the product capabilities.

National WWI Museum and Memorial

Freelance - Illustrator | June – July 2022

Researched, conceptualized, and created the illustration central to Night at the Tower Gala's Global Education Initiative campaign collateral. Collaborated with agency's creative team from ideation to finish producing a longstanding piece.
